12. Branson Bound

Branson, here we come! Included in this trip will be some of the best things Branson has to offer. The first stop will be at Tangers Outlet Mall where you can grab a quick lunch at the A&W, plus check out their many awesome stores. After shopping and stretching our legs, we will go down the road and catch *The Comedy Jamboree* at Grand Country. From hilarious, clean comedy and floor pounding dancing, to today's country hits and gospel classics, this show is a hot ticket!

In the same complex, we will have dinner at the Grand Country Buffet before heading to our next exciting show—*The Haygood's*, which is Branson's most popular show. Five brothers and one sister will wow you as they play on twenty instruments. Stunning visual effects and a state of the art stage presentation are the backdrop to an amazing array of musical styles for this all new show for 2020. La Quinta Inn will once again be our home away from home each evening.

Day 2 begins with a visit to *Top of the Rock* where you will ride in golf carts along the two and a half mile ride of the Lost Canyon Nature Trail. Waterfalls, natural rock formations and covered Amish bridges dot the trek. While at *Top of the Rock*, you will ride the shuttle to the *Ancient Ozarks National History Museum*. This 35,000 square foot museum is a treasure trove of American Indian artifacts and art, dioramas showcasing massive creatures who roamed the land before humans and an impressive collection of Civil War relics. Lunchtime will find us at *The Grand Village* where you can shop and catch lunch at *Mel's Hard Luck Diner* where they have singing waiters, or *The Sugar Leaf Bakery and Café*. *Noah at The Sight and Sound Theatre* will be our afternoon show as it brings to life the inspiring story of one determined man's fight to stay ahead of the disastrous, world-wide flood to save his family and the future of God's many precious creatures. *Noah* features more creatures than any other bible story. We will catch a quick supper at *Montana Mike's* followed by *The Clay Cooper Country Express* show. Clay and his cast of 24 incredible entertainers show their versatility while performing all styles of music. The singing, dancing and hysterical comedy will keep you on the edge of your seat from start to finish.

Day 3, before heading back to Burlington we will visit the brand new *Aquarium at the Boardwalk*. You will take a walking journey through the oceans of the world. Here, you will be mesmerized by up-close views of amazing creatures, ranging from colorful fish, seahorses and jellyfish to octopi, eels and sharks. You will walk through a tunnel in the heart of the aquarium and into an ancient sunken ship. Prepare to be amazed!

After an exhilarating 3 days, we will head back to Burlington. Included in the trip fee is transportation, 2 nights lodging at *La Quinta Inn*, 2 hot buffet breakfasts at *La Quinta Inn*, dinners at *Grand Country Buffet* and *Montana Mike's*, *Comedy Jamboree Show*, *The Haygoods*, *Noah at Sight and Sound Theatre*, *Clay Cooper Country Express Show*, *Top of the Rock*, *Lost Canyon Nature Trail Tour*, *Ancient Ozarks Natural History Museum*, *Aquarium at the Boardwalk* and two shopping opportunities.
