In-District and Out-of-District fees will no longer apply. Fees will now be based on Member and Non-Member status. Each participant's registration fee is based on *THEIR* membership status.

BRC members enjoy the benefit of signing up a few days early for all activities. Memberships are sold during BRC office hours. Please see our BRC pamphlet or webpage at www.burlingtonrec.com for membership options.

8.) BRC Payment Policy

All activities MUST be paid for at the time of registration. We accept cash, check, credit or debit cards. If you call to register by phone, please have a credit or debit card ready (but know that we still need the signed registration form for a complete enrollment). Also, due to a system up-grade, we now need the 3 digit CVC code on the back of your card. Please be prepared to provide this. **Please do NOT leave form on the counter with instructions to use a card on file because we will not be able to do that without the additional CVC information.** Payment secures a spot in that activity. We will not enroll without payment.

9.) Late Fees Still Apply

BRC will continue to apply a \$5 late fee for ALL sign-ups received after the deadline for ALL activities. The late fee is not a punishment, but rather an ENCOURAGEMENT to sign up by the deadline. In many cases, supplies are ordered, teams divided, and t-shirts ordered by the number enrolled on the deadline. Adding participants after the deadline results in extra costs for supplies, late t-shirts, and sometimes to find extra coaches. This is why we have the late fee in place. BRC asks your help to get signed up ON or BEFORE the deadlines on all activities.

Activity Deadlines can be found:
